## Work Experience

### Youth Leader at La Crosse YMCA Youth Center

La Crosse, WI

07/2021 – Present

- Tutor 10 8<sup>th</sup> grade students by explaining vocabulary and math patiently so they are prepared for high school.
- Supervise youth and keep them busy to prevent problem behaviors and provide them a stable environment to grow.
- Teach the youth life skills such as cooking, cleaning, and staying out of trouble.

### Sales Associate at Sherwin Williams

Eau Claire, WI

06/2020 – 05/2021

- Provided a fast and friendly customer experience to contractors and DIY painters to increase repeat business.
- Quickly and accurately handled cash to reach all customers in the line promptly.
- Answered phones using professional phone etiquette to establish trust in the Sherwin brand.
- Used an inventory management system to keep accurate product counts.

### Packaging and Shipping at Net Pet Shops

Eau Claire, WI

06/2015 – 08/2015

- Packaged, shipped, and fulfilled 30-to 50 Amazon orders a day.

## Personal Projects

### Personal Website

06/2022 – Present

- Developed a user friendly and mobile responsive environment to showcase personal projects and information that goes beyond my resume.
- [johnfoxweb.com](http://johnfoxweb.com)

### R-Tree Visualizer

12/2022 – 01/2023

- Used polymorphism to unify rectangles and circles into an object called Shape.
- <https://www.johnfoxweb.com/personalWebsite/html/academicProjects/regions.html>

### Theme Changer Widget

08/2022 – 09/2022

- Developed a web widget that handles changing the website theme and adding custom theme colors.
- It is designed to be easy to embed in most websites with the short instruction page.
- un-styled package [themes.johnfoxweb.com](https://themes.johnfoxweb.com) | styled version on every page of my website.
